Verse 2:

Silver patch of hair shows who's the boss

Taking good care of each other and seeing to all of our needs

Gentle hands but mighty chest

Grooming and preening and plenty of cleaning until we are gleaming and free of all fleas!

I don't want to fight to stay on top

Soothed by the touch of a sister or brother we think you'll agree

Never put me to the test

Being a monkey's a wonderful, marvellous, glorious riot - it's good to be me!

Refrain
