11. A Black Widow spider's venom is stronger than a rattlesnake's.
12. Arachnophobia is the fear of...

20 A⁹ Dm⁷

Verse 2:

Hairy spiders always scurry
Faster when they're in a hurry
How do they know where to go?
Tufty-haired with eyebrows furry
When they see it's only blurry
Who knows what they really see?

Refrain

Verse 3:

Spiders get in ev'rywhere
They tip-toe slowly through your hair
Late at night they crawl unseen
Is that scratchy sound you hear
A spider nesting in your ear?
Moved in while you had a nap!

Refrain
