Crocs **basking** without blinking,  
Snap jaws shut without thinking,  
Devouring any creature that comes near.

Snap jaws shut without thinking,  
Devouring any creature that comes near.

*I'll just open wide,*

*Open wide,*

*Open wide for you. (You are my tea!)*

*Crocs **basking** without blinking,*

*Snap jaws shut without thinking.*

*Devouring any creature that comes near.*

Snap jaws shut without winking,  
Devouring any creature that comes near.
