CHOIR

**You get everywhere
You get everywhere**

**Glitz and glitter in the air
but blossom neither here or there.**

**You lost your sparkle at the fair,
apple, cherry, blackthorn, pear**

***Tempt me, still me
Hold my song
Bind me, raise me
How you want***

**The woods beyond were sparse and spare,
the branches empty-handed, bare,
no glint of blossom anywhere.**

***Tempt me, still me
Hold the song I'm singing
Bind me, raise me up***

***Tempt me, still me
Hold the song I'm singing
Bind me, raise me up***

Multi-layered rhythmic vox

**You get everywhere
You get everywhere**

Choir percussive vox

***Tempt me, still me
Hold my song
Bind me, raise me
How you want***

Apple, cherry, blackthorn, pear (spoken)

***Tempt me, still me
Hold the song I'm singing
Bind me, raise me up***

***Tempt me, still me
Hold the song I'm singing
Bind me, raise me up***

***You (the crowd warms up, vibes, organic,
fun, adlibs, play with this)***

***Your starting note for this section is on the
midi file for your part, this is basically where
you wanna be but (as you can hear in my
guides) you can play with this/around this
until the lyrics kick in***

SIMON + RICHARD

*You get everywhere
You get everywhere
We're under your spell
We're under your spell*

*You get everywhere
You*

*You walked the planet for a year,
slept in the jaws of winter's snare,
knelt at a campfire like a prayer.*

apple, cherry, blackthorn, pear

*Then woke one morning in a rare
illuminated atmosphere.
The trees wore flowers in their hair,
and on the hill you stopped to stare
at blackthorn, apple, cherry, pear,*

*as blossom blossomed everywhere
and everywhere and everywhere.*

apple, cherry, blackthorn, pear

*Oh
Woah
Woah
Woah
Woah oh oh*

*Tempt me, still me
Hold my song
Bind me, raise me
How you want*

*Oh
Woah
Woah
Woah
Woah oh woah*

CHOIR

Woah
Woah
Woah oh oh*

(Counter rhythm 'woah comes in with the lyrics)

*Tempt me, still me
Hold my song
Bind me, raise me
How you want*

*Oh
Woah
Woah
Woah
Woah oh woah*
