

# World Of Wonder with Makaton Signs

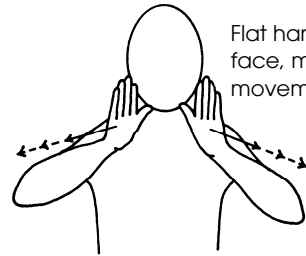

Written and interpreted by Rebecca Thompson Makaton Tutor

A

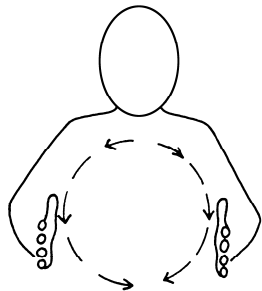

**world**

of

Flat hands move from face, match movements to syllables

**wonder**

A

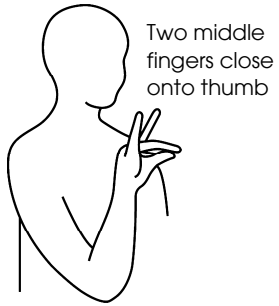

**world**

we

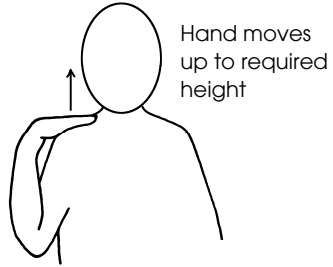

Hands alternately move towards and away from body

**share**

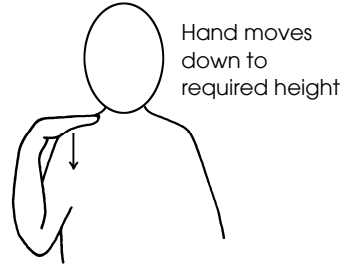

All **creatures**

**great**

and

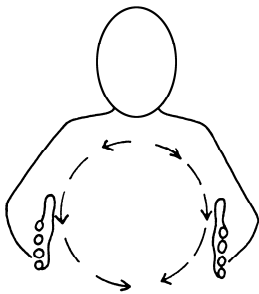

**small**

**Need**

a

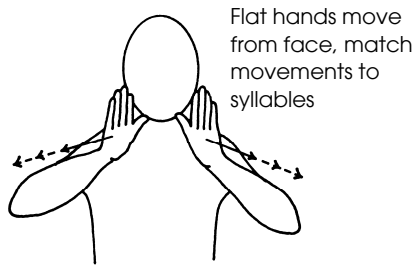

**world**

that

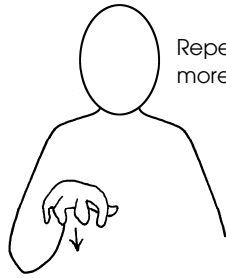

**cares**

Flat hands move from face, match movements to syllables

**Amazing**

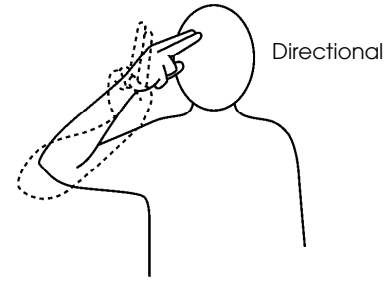

Repeat for more than one

**place**

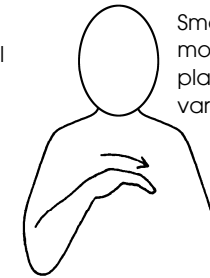

that

**we**

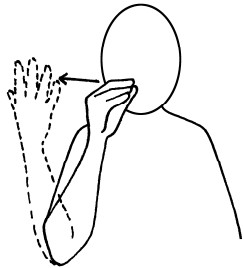

Directional

**call**

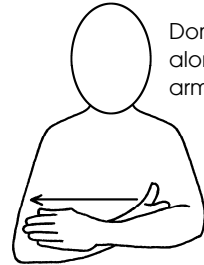

Small arced movement - placement can be varied to suit context

**home**

It's

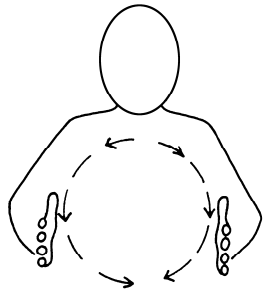

**beauty**

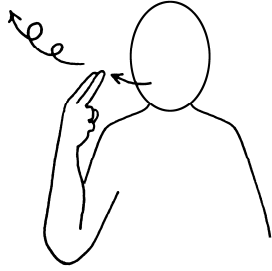

Dominant hand moves along non-dominant arm to fingertips

knows

**no bounds**

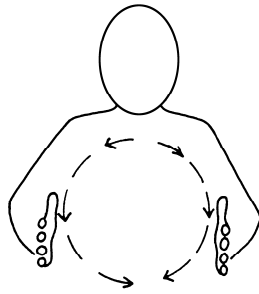

**Creation**

**sings**

and

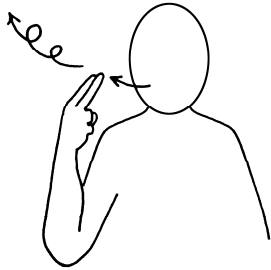

**nature**

**smiles**

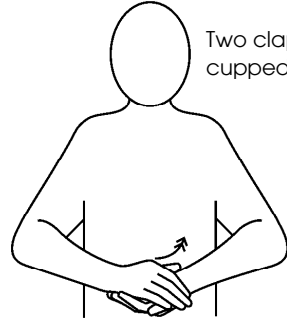

Facial expression  
important

Sweet

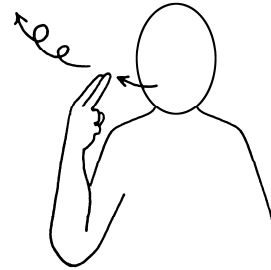

**songs**

of

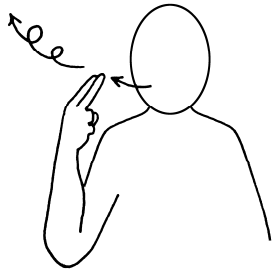

**joy**

Two claps with  
cupped hands

**resounds**

**Sing**

**together**

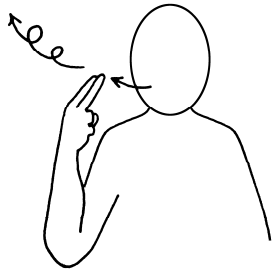

**sign**

Small movement  
for 'A Sign', increase  
for 'To Sign'

**together**

**Sing**

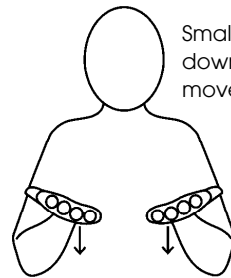

and

**sign**

Small movement  
for 'A Sign', increase  
for 'To Sign'

it

**now**

Small quick  
downward  
movement
